**Exhibitor info for the 2024 *Gather to Grow* Forest Farming Conference  
March 22-24, 2024 at the Hotel Roanoke**

Greetings Forest Farming Community!

The Hotel Roanoke ballroom will showcase exhibitor booths highlighted Saturday March 23 at the Gather to Grow conference. Booth spaces are 6 foot long x 30 inches undraped rectangular tables (provided by Hotel Roanoke) and available for set up Friday evening, and should be taken down following Saturday evening events.

Exhibitor fees are \$200 per table, and are included in Sponsorship packages at the IV. Slippery Elm (\$2,500) and higher levels.

The Gather to Grow conference features learning, networking, pre-conference field opportunities, artwork, entertainment, and strategic planning. Keynote speakers, thematic presentations, working group meetings, an expo, great food, and local music all in the classic Hotel Roanoke and Conference Center are included. Reasonable prices and transportation to Appalachia by trains, planes, and automobiles make for a highly accessible event.

**All Sponsorship and Exhibitor registrations and payments are due for guaranteed listing in the printed conference program by December 31, 2023.**

For conference inquiries, contact [Margaret\\_Bloomquist@ncsu.edu](mailto:Margaret_Bloomquist@ncsu.edu).
