

WILD STEWARDS ALLIANCE

Are you looking for high-quality, sustainably sourced wild herbs?

The Wild Stewards Alliance is here to meet your needs!

This network of certified producers is trained and inspected on industry best practices, to ensure top quality and steward botanicals for future generations of harvesters.

Training Topics:

- plant identification
- propagation & stewardship
- sustainable harvest
- post harvest handling
- storage & processing

Customer Benefits:

- sustainable, ethical sourcing
 - verified wild stewarded supply
 - high quality roots, barks, & herbs
 - trained harvester network
 - enhanced sourcing traceability
-
