

"The AH Herb Hub has helped us grow our business

by creating new opportunities, providing valuable resources, & connecting us with markets that support sustainably harvested & forest-grown botanicals.

Their partnership has been instrumental in helping us continue our family's legacy while protecting the forests we depend on"

- MICHAEL BORING
BORING ROOTS & HERBS

Visit our Herb Hub page

MICHAEL HAS DEDICATED HIS CAREER TO PRESERVING APPALACHIAN FORESTS.

As a third-generation steward of Boring Roots & Herbs, he has built on decades of family experience by combining sustainable wild harvesting with forest farming practices.

As a Wild Stewards Alliance member working with Appalachian Harvest, Michael has expanded market opportunities, strengthened his business, and helped promote responsible sourcing of native medicinal plants.
